PARTNERS TOUR Friday

Paphos Mosaics/Tomb of the Kings and Latchi

DATE | May 21st 2022

TIME | 10:00 am to 4:00 pm by bus

MEETING POINT | Hotel Lobby

The tour will begin with a visit to the Archaeological Park and specifically to the 3rd century “House of Theseus and Dionysus” where guests can admire the excellently preserved mosaics depicting familiar scenes from Greek mythology.

Then the group will continue on to the Tombs of the Kings in Paphos, one of the most important archaeological sites of Cyprus that has been included in the UNESCO World Heritage Sites list since 1980. The monumental underground tombs are carved out of solid rock and date back to the Hellenistic and Roman periods.

Lastly, the group, passing through various small villages, will arrive at the area of Polis/Latchi where we will visit the natural grotto of the Baths of Aphrodite. Its botanical

garden can be found past the fishing harbour of Latsi, and towards the tip of the Akamas Peninsula. Shaded by an old fig tree, amidst lush greenery, legend tells that the Ancient Greek Goddess Aphrodite used to bathe in the waters. According to Greek mythology, Aphrodite met her lover Adonis at this beautiful spot when he stopped for a drink whilst hunting and fell in love with her the moment when he drank the water. Lunch will be offered
